THE CITATION MANAGEMENT SOLUTION YOU'VE BEEN LOOKING FOR.

WM
WISE MOBILITY

SUBSCRIPTION SERVICE

- Batch process on a scheduled cadence
- Constant monitoring in the radius the fleet operates
- Notifications are sent when citations are found and when they are resolved
- Easy integration using CSV or API
- Best for commercial fleets

Subscribe → Monitor → Citations → Garage Portal
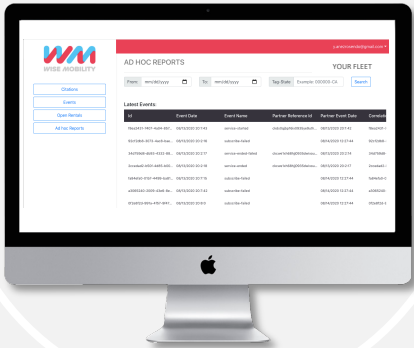

ON-DEMAND SERVICE

- Reactive monitoring based on rental bookings provided by fleet
- A timeline is created when the rental begins and ends, which we use to determine citation liability
- Integration is simple, but requires a development contact
- Best for rental fleets

Subscribe → Rental → Monitor → Citation Liability → Garage Portal
